3. ACADEMIC INFORMATION

Academic calendar

ACADEMIC CALENDAR

In the **3rd year** of our medical training, academic year is organized in semesters, which go from September through December, and from January through the end of June of each year.

In the **4th, 5th year** of our medical training, the academic year is organized in trimesters (terms), as follows:

- Trimester 1: early September till the end of November
- Trimester 2: early December till the end of February
- Trimester 3: early March till the end of May
- Trimester 4 (clinical placements): early June till the end of August

Grading Scale

GRADING SCALE

The grading system in France is based on a numbered scale from 0 to 20, with 20 as the highest possible grade.

In 3rd year, some modules are composed of different sub-subjects (*ECUE*). For the "semiology" sub-subject part of a module, 12 is the minimum passing grade. For all other sub-subjects, 10 is the minimum passing grade. To validate a module, 10 is the minimum passing grade. If a student does not get a passing grade in semiology but has all other sub-subjects equal or superior to 10, he will have to retake exams (*rattrapage*) for the overall module.

In 4th and 5th year, 11 is the minimum passing grade. If a student does not get a passing grade, he will have to retake exams (*rattrapage*). For MOA (Module Obligatoire d'Approfondissement) modules, 10 is the minimum passing grade.

Grades description (for 4th and 5th year) :

- <11 Failed
- 11-12 Sufficient
- 12-14 Satisfactory
- 14-16 Good
- 16-18 Very Good
- 18+ Excellent

Transcript of records

TRANSCRIPT OF RECORDS

The transcript of records will be sent by email to the home university and to the student:

- By the end of March for students ending their mobility on the first semester
- By the end of July for students ending their mobility on the second semester (or full year students)

4. GENERAL INFORMATION

Housing

UNIVERSITY STUDENT HOUSING

Université Paris Cité only has a few rooms in several residences in Paris (also called CROUS). Therefore, **we cannot guarantee housing for all students.**

Accommodations in CROUS residences are equipped with a kitchenette, bathroom facilities and internet access. All students at a CROUS residence will be eligible for financial housing aid provided by the French State.

While applying after their nomination, students will have the option to ask for accommodation provided by UP Cité. A commission will review the applications and decide about housing placements (by the end of June for the 1st semester/by December for the 2nd semester). A housing application form will be sent to the selected students and will have to be submitted by the indicated deadline to confirm housing. Please note that only students coming to UP Cité for at least 6-month exchange are eligible.

OTHER HOUSING POSSIBILITIES

Students can look for housing through our partnerships:

- Université Paris Cité housing online platform
- Logifac
- Twenty Campus

We recommend to be wary of other platforms, as often many of the listings featured are scams. Beware of any accommodation listing that asks an upfront deposit through Western Union.

**Social
Security
(Health care
system)**

HEALTH INSURANCE

International students have access to the French national healthcare system but a complementary insurance is highly recommended.

EUROPEAN STUDENTS

Students must get their European Health Insurance Card before arriving in France and must be valid during their entire exchange.

N.B: Non-European students who do not have access to the European card will have to proceed as international students. British students can get a European Health Insurance Card, but **MUST** have their resident permit.

INTERNATIONAL STUDENTS

The French healthcare system is free for international students.
