Housing

A sneak peek inside our accommodations in different locations around the world!

How am I matched with a company?

The best match

The Placement Team will start matching your profile to our partner host companies that align with your profile, internship and career goals.

Your internship placement

Once a company has reviewed your profile, *the Placement Team* will send you an email to provide you with further details about the company and job description, as well as schedule an interview if one is required.

Internship confirmed

Congratulations! Your remote internship is confirmed. Time to finish up preparing for your international professional development experience.

| Job Descriptions

IP Wisely
