WE ARE

DEUSTO

I chose Deusto for a year abroad and this turned out to be one of the best choices in my life!

Gookhyeon

Korea University, Korea

Study abroad is a life-changing experience for many students and definitely one of the best ways to acquire global skills and open up personal and professional opportunities.

THIS IS DEUSTO

The University of Deusto has focused on excellence in education and achieving a significant position of international leadership for decades. Deusto has centred on creating international networks and projects, which have become increasingly important and enhanced the university's prestige.

While living and enjoying the Basque and Spanish culture, you will have the chance to engage with other cultures and languages thanks to sharing experiences with international students at Deusto from all over the world.

Why DEUSTO?

1.

Excellence

Deusto promotes the training of **free and responsible citizens** endowed with **knowledge, values and skills** that allow them to be competent professionals and transform society.

2.

Adventure

The beauty of its **bay**, with both **ocean and mountain** mere steps away, the **quality of life**, and its **world-renowned gastronomy** hstand out in the Basque Country. Its lively rhythm of life and the warmth of its habitants make it a place **where students feel welcome and integrated** from the get-go.

3.

Educational model

It was designed to be a model that would promote and ensure **quality and innovation** in teaching, agility and flexibility in **responding to the demands of society and organisations**, and the **transmission of values and principles** that are always oriented towards **equality and social justice**.

THIS IS BILBAO

Bilbao is the largest city in the Basque Country. It is a modern and diverse city though it maintains its folklore and customs.

It is located next to the **estuary** of Bilbao and is surrounded by **mountains**. In short, Bilbao it's a city of balance, between nature and the city and between **modernity and tradition**.

Exaltation of
architecture and
urbanism

The space occupied by the **industry** has been now used to transform the city into an **icon of tourism, culture and services**. Its **gastronomy**, culture and the quality of **public transports** are the charm of this city and what makes Bilbao **unforgettable for any visitor**.

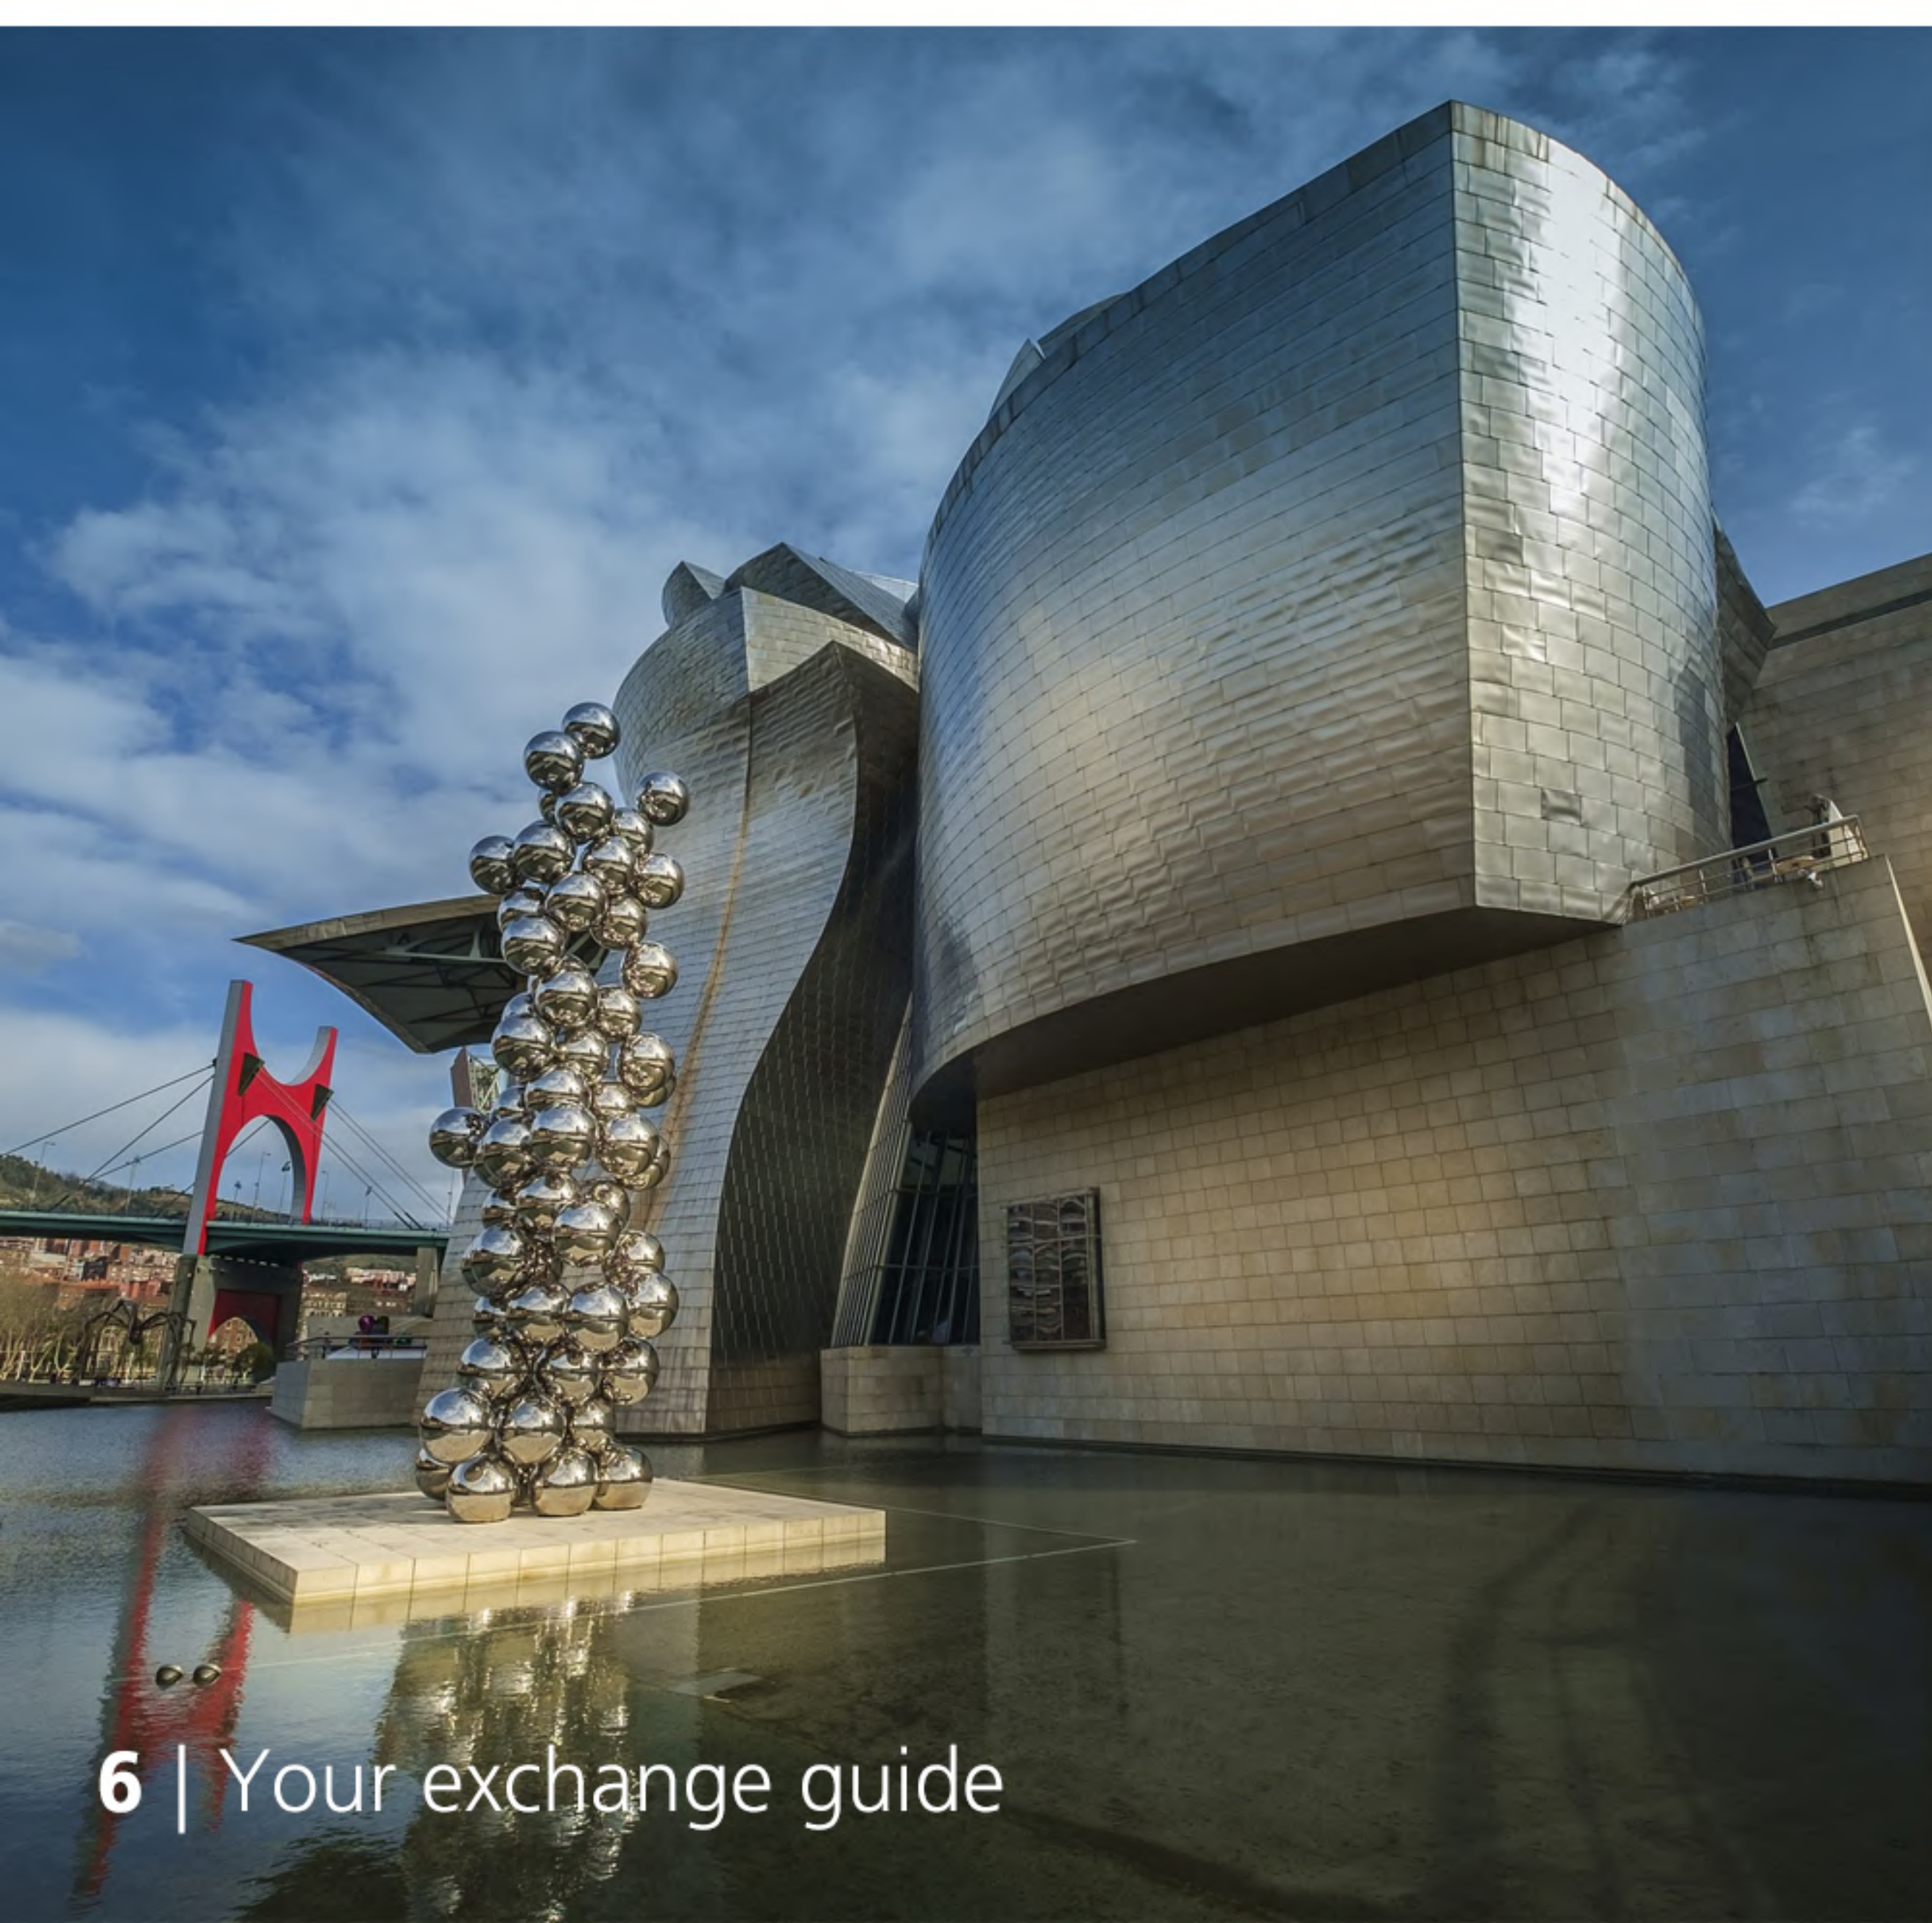

I can't recommend Bilbao enough. It will be a life changing experience.

life

THIS IS DONOSTIA

Donostia is one of the most popular tourist destinations in the peninsula. The beaches, the old town and its fantastic gastronomy are one of the many charms of the city.

It was **once a fishing village**. In the XIX century some aristocrats invested in the city and Donostia became a **tourist reference**. Nowadays, the city offers **many cultural activities** that attract people from everywhere in the world, especially the **Zinemaldia**.

High end modern cuisine

Apart from touristic attractiveness, Donostia is a great place to live in. It has received many international **awards**, for instance, one of the **happiest cities in the world** according to **National Geographic (in 2014)** and the **European Capital of Culture (in 2016)**.

Maritime heritage

“ San Sebastian is one of my favourite places in the world because of its beautiful beaches and mountains. ”

Olivia

University of North Carolina, USA

Worldwide cultural reference

Deusto CAMPUS

University life stretches beyond classrooms. It offers a wide variety of experiences in which to grow and enjoy oneself within the community that gives life to the Campus.

SPORTS

The Sports Department has a range of **meeting and recreational facilities** available to the University community members that include **programmes to enjoy a healthy life** through **physical education** and **sports practice**.

CULTURE

The art of feeling, deeper understanding and sharing. We suggest opportunities and moments to **enjoy art** as we develop and **build our capacities and talents**. We have a **wide range of options**: dance, debate, theatre, drawing, literature, singing...

SOLIDARITY

This programme affords you the opportunity to work with different **NGOs** and **social organisations** on **integration**, entertaining in hospitals, **health** promotion, **social exclusion**, **addictions**...

FAITH

The university community of Deusto receives international students every year. We offer them a **meeting point** for different **cultures, traditions** and **religions**. Our initiatives take their inspiration from Blessed Francisco Garate.
