Procedure of nomination and application (valid for winter- and summer term)	
Nomination deadline	March to May
Application deadline	1st of June (for the whole academic year)
Application requirements	Official nomination from a partner university by mail to international-students@charite.de . A German language level of B2 as minimum, Students who are at least in their third, preferably fourth year of study.
Needed documents	Completed and signed Learning-Agreement or the preferred OLA, Actual Transcript of Records (ToR), German language certificate (CEFR) min. B2 level
examination company doctor	Before students from abroad allowed to start their studies or clinical internship with us at Charité, we have to check their health status and eligibility. This primarily involves the vaccinations that are mandatory here in Germany (including measles, mumps, rubella, hep A, tetanus, whooping cough, COVID-19, etc.) as well as the titer determination of hep C.
Semester dates	Winter term: mid- October to end of February Summer term: mid-April to mid-August

Charité Outgoing students	Study-abroad@charite.de (Mr. M. Stieg, Ms. Ulrike Urbatzka)
Staff Mobility	Ms. Franziska Grimm Erasmus-staff@charite.de
ERASMUS+ Traineeships (SMP/SMT)	without a cooperation agreement for this special mobility, traineeships within the Charité are unfortunately not possible . Not even if students organize this themselves.
