Swinburne has on-campus accommodation options as well as support to help you learn about off-campus housing too. In a city as diverse and exciting as Melbourne, you'll be sure to find your home away from home.

## What can I do outside of the classroom?

Melbourne has it all- food, art, live music, sport, shopping, gardens and more. At Swinburne, you'll be 10 minutes from the city centre, always ready to explore our amazing city.

As a Swinburne exchange or study abroad student, you'll also have access to student clubs, welcome activities as well as everything happening on campus- and of course a trip to see kangaroos and koalas before your semester even starts- a quick tick off the Aussie bucket list!
