Placement Process

1. APPLY

Students apply online & schedule an interview with TIG's admissions team.

2. INTERVIEW

Applicants participate in an interview with TIG's admissions team to express why they are good candidates.

3. CONFIRM

Upon acceptance, candidates confirm their participation by submitting a deposit.

4. MATCH

The Intern Group identifies host companies that align with the candidate's interests and experience.

a) The Intern Group sends the candidate's CV to contacts that match their interests and experience.

b) The Intern Group assists in arranging interviews with interested host companies.

c) After the interview, the host company may or may not offer an internship.

If no offer is received, candidates will continue to interview with other host companies.

Candidate receives an offer!
