CATTOLICA
del Sacro Cuore

Il Rettore

Milan, July 2022

Dear Students,

I would like to extend to you, personally and on behalf of Università Cattolica del Sacro Cuore, our warmest welcome, hoping that in the coming years you will live a noteworthy experience significant for your personal and professional growth.

What you are experiencing is an important step in the life of every student. It is particularly so for you, having spent the last few years of your education in a context that has required radically changing your habits and learning styles. Under these circumstances, we are even more intensely aware of the task of continuing to nurture your ambitions and dreams.

Università Cattolica aims to be a place in which the transmission of knowledge forms critical consciences, human relations increase solidarity between people, and interdisciplinarity enriches knowledge.

In this community you will not be alone. In your academic journey, in addition to lecturers and technical-administrative staff, you will be accompanied also by our Group Tutors: young graduates of the University able to provide you with assistance, information and clarifications to help you to quickly and profitably become part of the daily life of our University.

You will learn that the University is a microcosm that offers countless chances and opportunities; in it you will be called upon to learn, you will grow, and pursue an important and indispensable path of responsibility for your adult lives.

I thank you for having chosen Università Cattolica del Sacro Cuore, and offer you my sincerest good wishes for the beginning of your career in this University.
