A) Online System for Student Nomination (For Partner Institution Action):

Student nominations and applications are made via our [online system](#). Each partner institution should already have a user account to facilitate online nominations. Please use the same coordinator account as in previous semesters for this purpose.

Typical issues with the Online System for Student Nominations:

- 1) If you've forgotten how to use the system, do not worry, [user guides for coordinators](#) are available to you [online](#).
- 2) If you forgot your username/password, please email us.
- 3) If you have never activated your institution's coordinator account, a separate email with account details will be sent to you (email us if you don't receive them in the next 48 hours).

Important remarks when nominating students through the system:

Once you enter your students' basic information, make sure to **submit pending nominations** in the system by selecting "Manage Nomination" under the "Student Nomination" tab. Otherwise, your students will not have access to the

Online Application System. The steps are outlined below:

The image displays three sequential screenshots of the Lingnan University Student Nomination System interface, illustrating the steps for coordinators to manage nominations.

Step 1: Click on "Student Nominations". This step is indicated by a purple arrow pointing to the "Student Nominations" dropdown menu in the top navigation bar.

Step 2: Click on "Manage Nominations". This step is indicated by a red arrow pointing to the "Manage Nominations" option within the dropdown menu.

Step 3: Choose academic year and select "Fall Recruitment". This step is indicated by a green arrow pointing to the "2025-26" academic year selection in the dropdown menu, and another green arrow pointing to the "Fall Recruitment" selection in the dropdown menu.

Step 4: Use checkbox to select students and click "Submit Pending Nomination(s)" button. This step is indicated by a blue arrow pointing to the checkbox next to a student's name in the table, and another blue arrow pointing to the "Submit Pending Nomination(s)" button at the bottom of the page.

The interface includes a search bar, a table with columns for Ref. No., App. Status, Username / Email, First name, Middle name, Last name / Surname, and Exchange Duration. The table currently shows "No data available in table".
