TIMETABLES

Timetables at TBS Education are only available digitally on the student's Outlook calendars. After nomination, students receive their TBS Education credentials, including an email address to connect on Outlook.

Depending on the chosen modules or specialization, timetables can vary. They are planned and synchronized by the TBS Education Back Office once courses times and rooms have been confirmed by professors. Students will be able to see their planned courses at least a week before they start.

ATTENDANCE

Attendance at TBS Education is taken by badging at the beginning of a class. To do so, students need to use their student ID card (which is also mandatory to access our campus). Student ID cards are only issued to students if they have completed their **Final Enrollment File** (online file). Around one month before their semester start, students will be contacted by the International Student Office about their file (with explanations on how to complete it). Students are expected to attend classes until the final day of each semester.

ACADEMIC CALENDARS

The Fall Semester at TBS Education starts in September and ends in December. A week holiday is usually planned at the end of October. The Spring Semester at TBS starts in January and ends in April. A holiday off is usually planned in February.

INTERNATIONAL STUDENT OFFICE

Academic well-being is at the heart of TBS Education and we understand that moving abroad can be challenging. The good news is that the TBS Education International Student Office (ISO) is here to help. After receiving your Admission Letter to TBS, you will be contacted by the ISO to assist you with the following:

VISA

Depending on your nationality, you might need to apply for a student visa. ISO will give you all the information on the process.

HOUSING

TBS Education works with a network of housing providers close to our campuses. After being admitted, you will get access to the list of our partners.

HEALTH

The ISO will organize workshops to show you the steps on registering with the French Social Security. The team can also assist you with healthcare providers.

& MORE

The ISO also guides with banking, insurance, orientation & integration. You'll be invited to connect with us online while preparing for your arrival.
