NOTICE

On 30th September 2024 at 12.30

in room 5

there will be a seminar entitled

**“Introduction to chemistry laboratory:
safety regulations and rules of behaviour”**

Introductory lesson to the chemistry lab for
first-year students of the Faculty of
Agricultural, Food and Environmental Sciences.

During the meeting the trainers will explain the rules of behaviour and the safety regulations to be observed during lab activities. In addition the contents of the activities and all the lab equipment used during the practical sessions will be presented. The seminar is recommended for all students with no previous laboratory experience.
