

Preparatory course Artificial intelligence for banking and finance

Interfaculty of Mathematical, Physical and Natural Sciences - Banking, Finance and Insurance Sciences

Academic year 2026/2027 - Brescia Campus

The Preparatory course is pointed towards to all the students of the first year of the Graduate programme of Artificial intelligence for banking and finance, y.a. 2026/27.

Please note that the preparatory course will be delivered online, as the Lecturers have developed a learning programme consisting of short, recorded lessons made available through the [Blackboard](#) platform.

Although attendance is not compulsory, the preparatory course offers students an important opportunity to reinforce their background knowledge and enhance their individual preparation.

In order to access the course lessons, students are required to:

1. reserve a place in the course;
2. complete the enrolment or pre-enrolment procedure (please refer to the [Portal Guide](#) available on the course webpage);
3. log in to Blackboard at <https://blackboard.unicatt.it> using your personal account (username and password), with the same credentials used to access the [Admissions Portal](#).

All information required to use the Blackboard platform is available at the following link: [Blackboard for Students](#).
