**NOTICE FOR STUDENTS ENROLLED FOR THE A.Y. 2022-23 IN THE GRADUATE DEGREE PROGRAMME IN
SUSTAINABLE AND PRECISION AGRICULTURE
2nd YEAR OF THE PROFILE "SUSTAINABLE VITICULTURE AND ENOLOGY"**

On 23 June 2022, the Council of the Faculty of Agriculture, Food and Environmental Sciences approved the list of seminar initiatives that will enable students to acquire the ECTS envisaged in their study plans as "SEMINARS". Students will have to choose five seminars from the list that will be publicized through a notice on the relevant boards as of September 2022.

For each seminar, students will obtain a certificate of attendance from the professors/lecturers and must subsequently submit a written report.

The reports and certifications of attendance must be handed over to the professor in charge of the Seminars, Prof. Stefano Poni, who will then communicate the names of the students who can take register the seminars and the relevant ECTS.

Registration is carried out in accordance with the usual criteria set out in the Student Guide, under "Administrative Rules", where it is also specified that enrolment to exams must not be carried out later than the four days prior to the exam call.
