We inform students that the official exam dates are the written test ones. Please use the dedicated i-Catt feature to register with Professor Federica MISSAGLIA, Chair of the German language Commission.

Students will have to take the test only in the scheduled date and time, showing their own student card for identification. We suggest bringing your personal earphones (no wireless) for the listening part.

Oral exam dates are only tentative and could be modified or scheduled over several days.

Student who have not registered for the exam will be under no circumstances accepted.
