## Useful hacks

- Apply for multiple dates for the same elective, **be flexible**
- **Incomplete applications** prevent your application from moving forward to the department:
  - frequent errors: sending/uploading wrong documents, not submitting a requirement
- Include your **photo/updated CV**
- Do any **pre-work** to prepare visa, housing
- **Plan ahead**: some destinations are popular with students from all over the world
- If there's **no formal system** for arranging your proposed elective send a covering letter, CV and a project outline
