

Application for credit recognition/validation guidelines

In the [Modulistica | Università Cattolica del Sacro Cuore](#) page of the university site, in the section dedicated to the Campus of Rome, you will have the opportunity to access the new procedure for submitting the application for validation/ recognition of exams and/ or Language Certifications.

Please note that to proceed with the insertion of the request you must:

- Be in possession of an active student number in UCSC;
- Be in compliance with the registration at the year of application.
- Be in compliance with the administrative position.
- Have in your exam booklet the teaching activity to be validated. Students enrolled in subsequent years must submit the study plan before asking for credit validation.

In the validation application, you will only have to submit one application for Integrated Course for which you require credit validation/recognition. The integrated course for which recognition is requested must be indicated. It is not necessary to report the individual modules of the integrated course.

Deadlines:

- Request for validation of university exams: from 02nd July 2025 to 20th December 2025;
- Request for validation of language certificates: from 02 July 2025 to 31st January 2026.

The validation results will be viewable in the "Attachments" section of iCatt at https://studenticattolica.unicatt.it/allegati_Polo_Studenti_Roma

On the dedicated screen, you will find the possibility to insert the first request by clicking on "Enter an Application for Credits Validation/Recognition"
